

It would be perfect if you perused the manual before starting your Journey as a entity to accomplish distinct duties in the implementation.

Brand / Entity Name Registration

Trademark registration is the only registration that can afford absolute brand name protection.

Trademark can be used to protect the brand name, business name, slogan, logo, design.

"Brand Name Approval button feature has made the customer easier to add brand & mandatory to uploaded the supporting docs which will be validated verified and approved, While registering the template these brands will help the customer in customer to choice and tag against the templates.
